We are very excited to return to Crowley's Ridge State Park at for our Family Camp.

Google Maps link: <https://goo.gl/maps/D2auEfiCGnp> (36.041894, -90.661232) is the approximate spot of where we are camping. Looking at the official map (attached), we are in **the Picnic Area**. If you get there before anyone else does, feel free to contact one of the following to verify are you in the right spot before you unload your stuff.

When: November 3-5. Activities start Saturday, the 4th, at 10 am, but folks are welcome to come in Friday afternoon/evening to get settled (remember sunset is at ~6:00 pm this time of year). We will wrap camp up on Sunday morning after a campfire devotional & breakfast.

Agenda: To have fun and good times camping. There is hiking & fishing aplenty (bring your fishing poles!). We will be hiking, playing some games, and time for Dens to work on their camping requirements. There will be unscheduled time where you can pursue whatever you and your family want to do. We will have a service project that all Scouts and families should attend.

Food: Friday night, Saturday morning and lunch, each family is on their own.

The Pack will provide the evening meal on Saturday. It will be Hot dogs and chips. Feel free to bring anything to share.

Sunday morning, as is our tradition, Jake and I (with our friends help) will have fried egg breakfast tacos with cheese for all who want them. If that doesn't sound appealing to you, you should plan on your own breakfast. :-)

About the Campsite: We are camping in an sparsely wooded field (same place as last Spring). There will be some fire rings. Feel free to bring your own grill/camp stove if you want. There are restrooms nearby (and showers further out), but you should bring your own TP and water containers just in case. Bring your own chairs, tents, cooking supplies, etc. It's best to always assume the campsite is a clear patch of ground. :-)

Camping checklist: Everyone thinks about camping a different way. You don't need everything on a camping list to have a good time, nor is every camping list complete. That being said, I'm attaching a camping list that the pack has provided in the past AND a camping list that I use when Jake and I go camping by ourselves. Review both if you haven't camped in a while.

Last requests: Please keep your family's use of electronics to a minimum, if at all. It's always a good idea to have your cell phone available when camping, but let's have the ringers off. Lights out and quiet time is at 10 pm.

If you smoke, please do not smoke at our campsite. Thank you.

Lastly, please bring a copy of the standard Scout medical form filled out for your Scout and bring it with you to camp. It's important we have this on file for any Scout, especially those on a campout. You can download and print it from here: <http://pack98.org/medical.pdf>

Let me know what questions you have or any suggestions for activities and how to participate.
